A deputation of citizens composed of

Jos. Fortier,
A. L. Whittet,
J. H. Hand,
Alex. Bremner,
Thos. Kirk,
Thos. Dionne,

representing the Westmount Municipal Association attended the meeting and in the absence of W. R. Granger, President of the Association, R. A. Nixon presented the Mayor with a Souvenir Album containing the petition signed by 400 of the citizens of Westmount requesting him to consent to again accept office for another two years.

In making the presentation Mr. Nixon requested the Mayor to accept the Album as a sincere token of the appreciation of the citizens for the very capable manner in which he had filled the office in the past and with all good wishes for the future and expressed the hope that in time to come he would, in reading the names contained in the Album, have pleasant recollections and realize the esteem in which he was held.

THE MAYOR IN REPLYING said that it was very difficult for him to find words to appropriately express his very great appreciation of the honor conferred upon him by his fellow citizens in again electing him to the highest office which they could bestow, and in accepting the Album he did so with a feeling of pride and gratitude for their kindness in thus expressing their appreciation of his services. He said that during his term of office he had been ably supported in the administration of the City's affairs by his colleagues, and by the efficient and faithful services of the City Staff.

As the services of all city and town governments depended in great measure on the public spirit of the citizens he hoped that they would continue to take an active interest in the City's affairs and he assured them that he would continue to give his best service.

He indicated that whilst everything was being done and would be done to maintain the autonomy of the city which is cherished so highly, it would be found necessary in the future to take part in a larger organization, which would co-ordinate all municipal activities on the Island.

General, His Excellency
Julian Hedworth George Baron Byng of Vimy,
G.C.B. K.C.M.G. M.V.O;
Governor General of the Dominion of Canada.

MAY IT PLEASE YOUR EXCELLENCY;-

It is a great gratification to the Mayor and Council and all our citizens that despite our small size Your Excellency and Lady Byng have been good enough to pay us this official visit and to open for us this Community Hall which we have built as a place wherein our people may carry on their social, charitable and general public activities.

The Municipality of Westmount is a small suburban City of barely twenty thousand souls. It is almost entirely residential. We pride ourselves in calling it a City of homes.

This building replaces a Hall which was built in commemoration of the Diamond Jubilee of Her Majesty Queen Victoria. Hence its name- VICTORIA HALL. About a year ago the old Hall was burnt down and this new building has sprung Phoenix-like from its ashes. It will continue to be a memorial to the Great Queen, but it will also commemorate this gracious visit of your Excellencies.

We should like you to feel that this is a City worth your knowing.

Our knowledge of your illustrious and intimate association with the Canadian Army in France is sufficient assurance that you will be interested in the facts, that from our young citizenship there went to the war one thousand, two hundred and thirty-seven soldiers and forty-seven women as nurses and members of the Voluntary Aid Detachment and that of these numbers one hundred and ninety-men made the supreme sacrifice.

You may have observed as you drove through the City the monument we have erected to their memory. Every name of those who did not return is recorded at its base.

May we assure you that all our people felt that it was a happy thought which led His Majesty the King to choose Your Excellency, a distinguished Commander of the Canadian Army in France, to represent him in Canada and that your wise conduct of affairs and your warm sympathy, so abundantly evidenced with all Canadian interests and aspirations, have convinced us that the choice has been abundantly justified.

We trust that Your Excellency and Lady Byng are finding your sojourn amongst us to be one of pleasure and satisfaction and we earnestly express the hope that it may be prolonged.

We have the honour to be, Sir,

Your Excellency's most obedient servants.

F. W. McLagan,
Mayor

Arthur F. Bell
Secretary Treasurer

The Secretary Treasurer submitted the following report of the PUBLIC MEETING HELD IN VICTORIA HALL 5th, January 1927, the report was approved and ordered to be inscribed in the minutes of Council;-

TO THE MAYOR AND COUNCIL OF THE CITY OF WESTMOUNT

GENTLEMEN;-

The Public Meeting called by Mayor F. W. McLagan convened at Victoria Hall on Wednesday evening the 5th, January 1927 at 8 o’clock was duly held and called to order by Mayor F. W. McLagan after a brief Organ Recital by Mr. Fred Whiteley, Organist of St. Andrews United Church of Canada.

After stating the purpose of the meeting Mayor McLagan intimated that he would wish to address the assembly after Alderman Dr. C.W.H. Rondeau had been heard and therefore suggested that Mayor James Ballantyne of Montreal West, who was in the audience, be requested to take the chair. This was unanimously agreed to and Mayor James Ballantyne accepted the responsibility and immediately tendered to Alderman Rondeau an opportunity of addressing the gathering.

After Alderman Rondeau’s address followed by a reply from Mayor McLagan the Commissioners of the City Council, in the following order, were invited to submit to the meeting a report of the executive departments of the City; Commissioners George Hogg; R.L. Scott; S.F. Rutherford and Archie L. Robertson.

The reports were received with applause but without any action in respect thereto.

Mr. R.A. Nixon then rose and moved the following resolution which was seconded by Mr. E. Greenwood;-

WHEREAS certain statements casting serious reflections upon the present administration of the City of Westmount were reported in the press of Montreal on December 20th, 1926, and

WHEREAS this public meeting of the Citizens of Westmount has been regularly convened in Victoria Hall this 5th, day of January 1927, for the purpose of discussing and considering the aforesaid statements and
WHEREAS we have now heard the clear and definite statement of his Worship the Mayor in reply thereto; Now therefore be it

RESOLVED that we, the electors of Westmount here assembled, are fully convinced that the aforesaid statements, implying waste of civic funds, were injudicious, without foundation in fact, and should be withdrawn; and that we hereby re-affirm our confidence and trust in all the acts of civic financial administration done and performed by our present Mayor and Council during their term of office.

Mr. Fitz-James E. Browne seconded by Mr. J. T. R. Laurendeau moved and amendment that a hearty vote of thanks be tendered to the Mayor and Aldermen for their work during their term of office.

It was claimed that this motion was not an amendment and upon the chair so ruling, Mr. Fitz-James E. Browne seconded again by Mr. J. T. R. Laurendeau moved that the motion of Mr. R. A. Nixon seconded by Mr. E. Greenwood be amended by striking out all that followed after the word that of the last paragraph and substituting the words of the amendment therefore. Some discussion followed this action and it was finally suggested by Mayor Molagan that both motion and amendment be withdrawn. The motion and the amendment and the resolutions accepting the suggestion were thereafter withdrawn and a motion to adjourn was immediately thereafter adopted.

The Secretary Treasurer submitted PROCES VERBAL of Bonds destroyed and on the motion of Alderman Dr. C. W. H. Rondeau seconded by Alderman A. L. P. W. McLagan, C. W. H. Rondeau
Mayor of the City of Chairman of the Finance
Westmount Committee

C. D. Cornell
Arthur Fl Bell
Of the Montreal Trust Co. Secretary Treasurer of Westmount

The following resolution of sympathy was moved by Alderman
Dr. C. W. H. Rondeau seconded by Alderman George Hogg and unanimously
adopted:—

Be it resolved that the City Council of Westmount have learned
with great sorrow of the awful loss of life which has occurred through
the burning of the Moving Picture House in the City of Montreal on Sunday
afternoon the 9th of January 1927, and we therefore hereby extend to the
bereaved families our most profound sympathy.

Be it further resolved that a copy of this resolution be
forwarded to His Worship Mayor Mederic Martin of Montreal.

MAYOR P. W. McLAGAN said goodbye officially and in addressing
the Council said that he found it very difficult to express his feelings
as he would like to do. Whilst he was retiring from office with a great
deal of reluctance after occupying the Mayoral Chair for 8 years he felt
that he had not done wrong by refusing again to be a candidate, though
urged to do so by many citizens and friends, and officials outside the
City. In referring to the great growth and progress of the city he
commented on the work of each department, and how the work had progressed
under the attention of the Commissioner in charge.
He thanked the members of Council for their co-operation and for the respect they had always paid to the Mayor's office.

He expressed the hope that the friendships formed during the many years of association with the members of Council would grow stronger and stronger. Whilst saying goodbye officially he was not saying goodbye to Westmount, and would always have the interest of the City at heart and in the future the experience gained by him in civic affairs would be gladly given in the service of the City.

Each of the Aldermen in turn expressed regret at the Mayor's retirement from office and voiced their appreciation of the capable and efficient manner in which he had conducted the City's affairs during his many years as Chief Magistrate of the City.

The meeting thereupon adjourned.

NEW CITY COUNCIL
HELD INAUGURAL

Large Attendance of Citizens
Taxed Accommodation of
Westmount City Hall

MAYOR BEAUBIEN PRESENT

Speeches by Mayor Hogg and
Ex-Mayor McLagan followed by Music and
Refreshments

Residents of Westmount assembled in such large numbers last night to attend the inaugural meeting of their new city council that the council chamber failed to accommodate one-half of the attendance of taxpayers and their wives who had accepted the invitation to be present. Mayor George Hogg and the retiring Mayor, P. W. McLagan, both delivered speeches dealing with Westmount’s position and progress as a residential quarter, and Mayor Beaubien of Outremont offered congratulations on behalf of a neighboring municipality.

Mayor Beaubien expressed the wish that Mr. McLagan would keep up his interest in municipal affairs, especially with regard to Greater Montreal. The gathering was largely social and a noticeable attendance of ladies was remarked. The decoration of interior of the City Hall was carried out with a profusion of plants and blooms. The addresses were followed by a reception which was concluded with a musical programme.

In the council chamber Mayor George Hogg and Mrs. Hogg and ex-Mayor P. W. McLagan and Mrs. McLagan were seated on a dais, and in front of them were the members of the new council accompanied by their wives. Other seats were occupied by invited guests.

The new Mayor of Westmount, after speaking of the progress of Westmount commented on the presence of those who had worked for the prosperity of Westmount, dwelt on what Westmount had accomplished to attain its present position, and concluded with a few words of appreciation addressed to the retiring mayor.

Ex-Mayor McLagan said, in part, that he had worked for sixteen years for the benefit of Westmount without other reward than that of duty performed. His predecessor had filled the office of mayor for six years, he had been mayor for eight years, and by that kind of progression he suggested that Mayor Hogg be accorded ten years of office. The retiring mayor offered a welcome to the old and the new members of the council.

SHORT BUSINESS SESSION.

The speeches were preceded by a short business session, in which Secretary-Treasurer Arthur Bell read a report on the election returns, and further announced that the following members of the council had been appointed commissioners: Robert L. Scott, commissioner of finance; Stewart F. Rutherford, commissioner of roads; A. L. Robertson, commissioner of police, fire and health; Armand Chubut, commissioner of parks; and Dent Harrison, commissioner of electric lighting.

After the addresses, the guests were received by the Mayor and Mayorette. A musical programme was then rendered, consisting of orchestra music, and solos by Mrs. Harold Mills and W. J. Stephenson.

The Mayor and Aldermen of the City of Westmount request the honour of your presence at the Inaugural Meeting of the City Council, followed by a Reception on Tuesday evening, February the first, nineteen hundred and twenty-seven.

MINUTES OF PROCEEDINGS OF THE MUNICIPAL COUNCIL

and School Commission of St Leon de Westmount- Westmount Municipal
Council- the Clergy and representative citizens held in connection with
the Celebration of the Jubilee of Confederation.

The Mayor on opening the Meeting expressed his pleasure at
seeing such a Representative gathering and thanked those present for the
interest shown. He then called upon the Secretary Treasurer to report
the result of Meeting of 25th April held in conjunction with the repre­
sentatives of the Schools at which it had been decided to plan for the
Celebration of the Jubilee of Confederation to be held on June 3rd in
Westmount Park- Physical Directors and Teachers to arrange a programme
of physical exercises, marches etc.

in English and one in French.
Souvenirs to be provided for children.
Royal Montreal Regiment, Westmount Battalion Band to be secured
Canada to be sung- one verse in English and one verse in
French.
An Elm and Maple Tree to be planted.

The Mayor explained that the present meeting had been called
for the purpose of getting an expression of opinion with reference to
the date on which the Celebration was to be held as he now understood
that the 3rd June was not considered to be a suitable date as many pupils
would be out of the City, also that the M. A. A. A. grounds was con­
sidered by some to be more suitable for a display by children than the
Park.

The Secretary Treasurer reported that the Rev. W. J. Clarke
and the Rev. Father Wilfrid E McDonagh had both expressed regret at their
inability to be present.

Letter was read from Mr. E. Russell Paterson, Executive Secre­
tary of the Boy Scouts Association intimating that this Organization would
be represented at the meeting.

The Mayor then asked for an expression of opinion from those
present with reference to the Celebration and date thereof.
The Hon. R. S. White, M.P. and Brig. Gen. G. A. Smart both
advocating the 1st July, Mr. R. A. Nixon and Rev. W. Harvey-Jellie also
favoring that date.

Mr. G. P. Smith, Physical Director, as Chairman of the School
Officials Committee reported that after very careful consideration of the
matter the Committee recommended that the Celebration be held preferably
on June 1st or failing that date June 5th as on these dates it would be
possible to secure a full attendance of pupils whereas, on July 1st
perhaps only 50% could be available, and on that date the School Repre­
sentatives could not undertake any official part in the Celebration.

Mr. Smith indicated that the general plan of Celebration as
drawn up at Meeting on April 25th was approved but recommended that the
M. A. A. A. Grounds be used for the children's exercises as being more
suitable than the Park. The Mass formation to be arranged in Park and
March to M. A. A. A. Grounds.

Programme to comprise:-
Lacrosse,
Football,
Highland Fling,
Irish Jig,
Maypole Dances,
Indian Clubs
Dr. Lighthall expressed himself as being in favor of dates proposed by Schools. Also Mr. C. M. McKergow.
Mr. J. T. Hackett thought it would be wise to ask children which day they favored.

Rev. Dr. H. Abramovitz was of the opinion that if necessary a special celebration should be held for children and that from now until the end of the school term special references should be made to the children in connection with the Jubilee and that in addition fitting recognition should be made by the City on July 1st.

Mr. D. Mck. Rowat said he was sympathetic towards the proposal to hold the Celebration on the 1st July the proper Anniversary date, and suggested that Mr. Smith, through the Principals, submit a questionnaire to the parents asking which date they favored and whether they will attend.

Mr. M. A. Phelan also favored this suggestion.

Mr. Smith undertook to secure this information and report, and it was finally agreed that fixing of date would be deferred awaiting this report.

The Secretary Treasurer reported that as directed he had written to the Prime Minister, the Honorable W. Lyon Mackenzie King and to the Honorable Rodolphe Lemieux, Speaker of the House of Commons asking them to address the gathering, and submitted their replies expressing regret at their inability to attend and wishing the Celebration every success.

Alderman S. F. Rutherford reported that he had been in Ottawa recently and had interviewed the Prime Minister and thought there was a likelihood of his arranging to address the gathering. He also reported that the Prime Minister would be in Montreal Wednesday and Thursday, he had arranged for an interview with Mayor Hogg.

The Secretary Treasurer submitted letter of the 23rd April from the National Committee for the Celebration of the Diamond Jubilee of Confederation enclosing programme of operations to be observed July 1st 2nd and 3rd and intimating that it is the intention of the National Committee to issue medals for distribution to school children.

Samples of medals, medallions, badges and flags were submitted and in view of the fact that the National Committee are to issue medals it was decided that suitable silk Union Jacks be given to the children by the Civic Authorities as a souvenir.

Secretary Treasurer Arthur F. Bell

The Secretary Treasurer, Arthur F. Bell, reported that notification had been received that it would be impossible for the Premier, the Honorable W. Lyon MacKenzie King or the Honorable Rodolphe Lemieux, Speaker of the House of Commons to address the gathering on June 1st.

It was thereupon decided that the Committee appointed at a previous meeting comprising the following:-

Messrs M. A. Phelan
D. McK. Rowat
S. F. Rutherford
Arthur F. Bell

be authorized to arrange for securing suitable Speakers.

Mr. G. P. Smith, Physical Director, as Chairman of the School Officials' Committee reported that at a meeting held in the HIGH SCHOOL it had been decided to hold all the exercises to be taken part in by the children, in the Park owing to the difficulty of moving a mass of children from the Park to the M. A. A. Grounds.

He reported that it had been agreed that the children would sing "O Canada", one verse in English and one verse in French which would be followed by an address by one of the Speakers, after which dances and Patriotic Exercises would be held, followed by another address, the whole proceedings not to last for more than 1½ hours and to be finished up with the mass singing "God Save The King", he remarked that the Park had been mapped out and that all the Scholars were working in preparation for the event, it being the intention that on June 1st the children would attend school in the regular way and then congregate at the Park and that the proposed use of the M. A. A. Grounds would be eliminated.

Special Stand to be constructed on Melville Avenue for Speakers and Officials, Loud Speakers and Microphone, to be provided.

Massed physical drill to be performed by the boys and Indian clubs drill by the girls. All schools to take part.

If weather proved to be unsuitable it was suggested that arrangements be made for each of the schools to hold a celebration in the school. Arrangements for speakers to be made by the principals.

Mr. G. P. Smith further reported that it had been suggested that a rehearsal be given on Monday, previous to June 1st and that it might be well to arrange for photographs of the rehearsal as in the event of the weather being unsuitable on June 1st the whole setting would be lost so far as photograph records were concerned.

The matter of arranging for the stand for the Loud Speakers and Microphone and photography was referred to the General Manager.

Expenses in connection with the celebration were then discussed:-

Indians to be brought from Caughnawaga and costumes to be secured at a price of about $2.00 each and about 700 small caps at about
8¢ each. In addition it would be necessary to secure about 20 large and 150 small flags for placing on the ground to define the different groups it being suggested that if possible flags with the Provincial Coat-of-arms be secured.

This matter was referred to Mr. G. P. Smith and the General Manager to arrange.

It was reported that the suggestion of the offering of prizes for the best Essays on Confederation had been adopted by the School Boards, they having agreed to donate $25.00 to each school for this purpose, the distribution to be left in the hands of the School Authorities.

The Secretary Treasurer submitted a copy of a publication "60 years of Canadian Progress" he also submitted a copy of a National Song published by the Popular Music Publishers of Toronto. It was however, decided not to secure copies of this publication.

A quotation was submitted from Messrs Henry Birks & Sons and J. A. Nichols for supplying medals or medallions but the committee decided that these were not required as flags were being presented to the children, and it was expected that medals were to be received from the National Committee for distribution to the school children and the Secretary Treasurer was authorized to make application for about 5,000 for distribution.

The General Manager reported that the flags to be presented to the children had been ordered.

In connection with the planting of a Maple and Elm Tree it was agreed that one of the trees must be planted by the Chairman of the Roman Catholic School Board, Mr. M. A. Phelan and the other by the Chairman of the Protestant Board of School Commissioners, Mr. D. McK. Rowat.

In connection with the planting of a Maple and Elm Tree it was agreed that one of the trees must be planted by the Chairman of the Roman Catholic School Board, Mr. M. A. Phelan and the other by the Chairman of the Protestant Board of School Commissioners, Mr. D. McK. Rowat.

The question of arranging the musical part of the programme was left in the hands of the Principals of the Schools and the General Manager. The band to be informed of the music which they decided to have played.

Mr. A. W. Seamen reported that after discussing the question with the Musical Director of School he had intimated that owing to the children's time being so fully occupied at present he would only be able to arrange for the singing of "O Canada" and the National Anthem and it was decided that the version of "O Canada" to be sung will be that contained in the National Committee's Programme.

Mr. C. McKegow and Alderman S. F. Rutherford suggested that an endeavor be made for the singing of "Canada My Home" and the "Maple Leaf" and that to aid the massed singing, the words of the song be printed in large letters and placed so that all could see it.

On the suggestion of Mr. C. McKegow, Mr. G. P. Smith was ordered to secure the necessary costumes.

Reference was made to the arrangements in connection with the celebration which would take place on July 1st and consideration of this was deferred, in the meantime the Secretary Treasurer was directed to communicate with the Clergy of the City and request that on the first Sunday in July Special Reference be made of the Diamond Jubilee Celebration.

The meeting therefore adjourned.

Citizens Present P. W. McLagan with Silver Tea Service

AT VICTORIA HALL

Residents Join in Paying
Tribute to ex-Mayor

Former Mayor P. W. McLagan of Westmount was presented with a silver tea set and coffee set, a handsome tray and four candlesticks by his fellow citizens, last night, during a reception given in his honor at Victoria Hall.

Mr. McLagan retired from office at the end of the last municipal year following 16 years of service in the city council. As a token of their esteem for his record in public life and the many contributions he made toward the welfare and development of the city, Mr. McLagan's friends and fellow citizens decided to make him the recipient of some tangible expression of their good will.

The four-piece tea and coffee set was made in London in 1835, the tray of the George IV era and the four candlesticks are early Victorian, having been fashioned by an English silversmith in 1817. Mayor Hogg of Westmount presided at the reception. The presentation was made by R. S. White, M.P. The big auditorium of the hall was comfortably filled and following a program of speeches a dance was held and refreshments were served.

TRIBUTE TO EX-MAYOR.

Mayor Hogg spoke briefly. He referred to his pleasant associations with Mr. McLagan at the council board and paid a tribute to the great work performed for Westmount during his term as mayor. Mr. McLagan, he said, had given unselfishly of his time and energy for many years without the expectation of any reward or remuneration other than the knowledge of work well done. Under the circumstances, that his fellow citizens should have an opportunity of doing honor to one who had served them so faithfully and well now that he had decided to retire from public life.

S. W. Jacob, M.P., praised the municipal record of Mr. McLagan. The former mayor, during his years

EX-MAYOR P. W. McLagan

in office had done a great deal toward making Westmount a better city to live in. The Roman emperor Augustus found Rome a city of brick and left it a city of marble. The same might be said to some extent of Mr. McLagan.

That he would do his utmost to block any scheme for annexing Westmount was the promise made by Hon. Alfred Leduc during a short address in which he described Mr. McLagan upon his accomplishments as a municipal administrator and praised him particularly for the battle he waged against attempts to make the city part of Montreal.

Mayor Joseph Hucquelin, of Outremont, said that at times existed between Mr. McLagan and himself, together they had worked to preserve the autonomy of their respective cities and to bring about a borough system which would in the future make possible co-operation so far as joint problems were concerned while assuring the smaller cities a continuity of self-government.

FOUR MUSKETEERS.

Former Mayor McLagan, the mayor of Outremont, Montreal West himself were the four musketeers so far as opposing annexation was concerned, former Mayor J. A. A. Leclair of Verdun stated in dealing with the municipal career of his former colleague. He praised Mr. McLagan for the excellent government he had given to the city and observed that the people of Verdun and other centres appreciated the extent to which Westmount had developed in the last decade.

In making the presentation R. S. White, M.P., referred to the pleasure he felt in the task committed to him. It was but right, he thought, that the people of Westmount should do honor to a man who had given them 16 years of faithful service. Many worthy citizens had filled the post of mayor in the past, but none for so long a period as Mr. McLagan who might have continued to the end had he not decided to withdraw of his own accord. Public service, Mr. White said, was not always adequately appreciated and particularly so when that service was rendered without money and without price. It was an easy matter for persons who were not on the inside to criticize the conduct of public affairs but few of them would willingly undertake the difficult and irksome duties that fell to the lot of public men.

The mayor then referred to what Mr. McLagan had done in the matter of taxation. If things went well he was sometimes overwhelmed with more credit than was his due but if affairs went badly he was often blamed to a greater extent than he deserved. Mr. White believed, was one of the best revered citizens of Westmount.

In the speech of the late Mr. McLagan was his plea for a better understanding of municipal government, particularly so when that service was rendered without money and without price. It was an easy matter for persons who were not on the inside to criticize the conduct of public affairs but few of them would willingly undertake the difficult and irksome duties that fell to the lot of public men.

Mr. White quoted figures to show that from 1910 to 1929 population had increased 125 per cent, the assessed value of the city jumped from $21,000,000 to $56,000,000 and the revenue showed an increase of 200 per cent. It was true in that time that taxation advanced 50 per cent but the same was true of other municipalities in many of which the ratepayer did not get as much value for what he paid into the civic treasury as he did in Westmount. Mr. White emphasized his opinion that the people of Westmount got back more value in the way of services for what they paid in taxation than in any other place. It seemed to the city of Montreal he did not believe the ratepayer of Westmount would recover more than 50 per cent of what he paid in.

In concluding Mr. White expressed the hope that Mr. and Mrs. McLagan would live many years to enjoy the gift which their fellow citizens had asked him to present to them.

Mr. McLagan in expressing his thanks referred to his years of service in the council and gave credit for the development and prosperity of the city to his colleagues. In a democracy the chief executive should be held responsible for the administration of public affairs. If things went well he was sometimes overwhelmed with more credit than was his due but if affairs went badly he was often blamed to a greater extent than he deserved. Mr. White believed, was one of the best revered citizens of Westmount.

With reference to the Electric Light Department Mayor George Hogg made the following statement:

After an absence of several weeks from the City I find on my return that the City has got into somewhat of a controversy with the Montreal Light, Heat and Power Company. We have never had any desire but to carry on a most amicable arrangement with our competitor in the Electric Light business in Westmount. In going into this matter I find that like a bolt from the blue the M. L. H. & P. Co. issued a circular to the customers of the City offering them three shares of stock at $50.00 per share which virtually means a bonus of $125.00 per customer too all those who would
sign a five year contract and send a notification to the Westmount Light and Power Department discontinuing service at the end of their present contract. Up to that time the electric business of the City had been going along very nicely and our people were quite satisfied with the service we were rendering. When this offer came, in self defense we had to take some action to protect the investment of the City. So it was decided that for all our customers who would sign a new contract with us that their bill would be at the rate of 2\% per K.W.H. and I am very proud that our citizens have responded so nobly thus assuring the continuance of our Municipal Plant that has done so much for us up to the present time.

I may say that we have a plant belonging to our City which at replacement value is worth over $2,000,000 and the net obligation to the public in connection therewith is only $262,000. This obligation is actually less at the moment as I am giving figures established by the Report of last year.

If the Company is sincere, in the statements published, we are ready to discuss with them in an ordinary business way, any proposal or offer it may care to make that will in our judgment improve the service to Electric Light users and continue to assure to the citizens of Westmount what the maintenance of the Electric Light Department has meant to them.

Alderman Dent Harrison, Commissioner of Electric Light Department submitted recommendation of the General Committee as follows:-

Your Committee recommends that Council authorize a Special reduction in the Electric Light Rate to 2\% per K.W.H. to all customers or prospective customers who will sign a contract to cover a period of 5 years from 1st October 1927.

On the motion of Alderman Dent Harrison seconded by Alderman A. L. Robertson this recommendation was unanimously adopted.

Westmount’s latest improvement, the palm house in Westmount Park, was formally opened by Mayor George Hogg last night. Hundreds of citizens and many out-of-town guests came to view this first showing of Westmount’s plants and flowers in their exotic new setting.

The all-glass structure, with its Moorish dome illuminated from within and without, presented a scene of Oriental glamour fantastically at variance with red brick cottage library and the grey stone English-style bungalow which flank it. Magnificent ‘bonsai’ and tall palms formed a colorful central exhibit, while potted plants were displayed on a shelf circling the house and in hanging baskets. In the little aquatic garden which links the palm house with the old conservatories, water plants bloomed about a tiled basin, in the centre of which a chubby youngster in bronzed hues a struggling duck. A fountain jets from the duck’s mouth and from four green frogs at the corners of the pool, which has a large fish population.

After welcoming the guests, Mayor Hogg expressed his pleasure at the successful completion of the new conservatory. “This is really all that is needed now to round out our parks department,” he said. “We started it in years long gone by in a very small and humble way, in the time of Commissioner Robinson’s father, when we built our first greenhouse, which still stands.” The Mayor then traced the growth of the conservatories and mentioned the remarkable improvement in their output during the last few years, under the care of John McCreath, the park superintendent.

BIGGER THINGS PLANNED.

“We hope to go on and do bigger things, if you will only give us the money to spend.” When the laughter had subsided, Mr. Hogg continued: “We seem to have the habit of spending money when we can get our hands on it; but you must admit that we give you something fine to look at even if we do make your pocketbooks lighter.”

In conclusion, the Mayor stated that he hoped the citizens of Westmount would make good use of new greenhouse and invited guests to enter the library, refreshments were being served.

MINUTES OF PROCEEDINGS OF THE MUNICIPAL COUNCIL

HELD ON TUESDAY EVENING, JANUARY 24th 1928 AT
9 O'CLOCK AT WHICH WERE PRESENT:

Mayor  George Hogg, Chairman
Commissioner  Armand Chaput

  do  A. L. Robertson
  do  S. F. Rutherford
  do  Robert L. Scott

A large delegation of representative citizens waited on the Council with reference to the property of the ESTATE LATE WILLIAM MURRAY, acquired by the City for PARK PURPOSES and Mr. W. B. Scott, Secretary of the citizens' Delegation submitted a PETITION signed by about 600 tax payers and residents, requesting the City Council to carry out the purpose of the Bylaw by providing a safe play-ground, free from all motor and other vehicular traffic.

Mr. Robert Noble Watt (626 Sydenham Avenue) submitted and read an extract from the Minutes of the School Commissioners of Westmount of date June 13th 1927 to the effect that in their opinion no vehicular traffic should be allowed through the Park, that the property should be kept entirely free so that children could run and play from one end of the Park to the other without being in any danger whatsoever from motor or horse drawn vehicles.

Mr. M. A. Phelan #455 Clarke Avenue submitted and read an extract from the Minutes of a meeting of the School Commissioners of St. Leon de Westmount held on the 22nd January 1928, the Board placing itself on record as being opposed to the opening of a road through the said property for vehicular traffic of any description as in the opinion of the Board such a road would be an occasion of danger to children frequenting the park and thereby defeat one of the objects for which the property was acquired.

Senator W. L. McDougald spoke in support of the Petition. Mayor George Hogg asked for further expressions of opinion from the members of the delegation and none being forthcoming he announced that the Petition would have the very careful consideration of the Mayor and Aldermen and that he hoped before another winter came the streets around the Park would be in first rate shape for the use of the children. He stated further that the streets through the property had been homologated some years ago when it was proposed to develop the property for building purposes and that to close those homologated streets it would be necessary for the City to pass another Bylaw but before doing so it would be necessary to hear the views of both sides after which the Council would decide as to the procedure.

31/3/28 prepared by A. Vincent, Q.L.S.

Your Committee recommends that a permit be granted to Mr. F. J. Pick
to erect four private garages on his property, Upper Belmont Avenue at a
distance less than 50 feet from street line, subject to plans being approved by the City Engineer and Architectural Commission.

On the motion of Alderman S. F. Rutherford seconded by Alderman A. L. Robertson these recommendations were unanimously adopted.

Letter of date April 11th was submitted from the Westmount Municipal Association requesting the City Council to use their influence with the Montreal Tramways Company in an endeavour to have the Atwater cars travelling south to north, stop on the north side of St. Catherine Street, this request being made as the Association is of the opinion that the new regulation arranging for the car stop on the south side of St. Catherine Street is dangerous to persons waiting at this transfer point because they are obliged to cross the intersection in order to board the cars and that this point is a highly congested centre.

The General Manager reported that the City Council have already taken this matter up with the Montreal Tramways Company.

The meeting thereupon adjourned to April 24th 1928.

BYLAW TO WITHDRAW FURTHER SURPLUS MONEYS FROM THE SINKING FUNDS.

In connection with the above the following Report of the Secretary Treasurer was submitted and approved;

To the Mayor and Council.

Gentlemen;

On the 31st October 1927 the audited statement of Sinking Funds showed the following accumulations of Sinking Funds represented by securities in hand but exclusive of the accrued interest thereon of:

\[ \text{\$2,095,331.76} \]

Deducting amount required for Serial Bonds:

\[ \text{\$12,691.59} \]

And the amount required for actuarial basis:

\[ \text{\$129,866.73} \]

\[ \text{\$152,773.44} \]

In June last we prepared a statement showing the amount required on actuarial basis for each of the outstanding bond issues and distributing the amount of the surplus between the said outstanding issues. This statement showed in addition the actual accumulations on the ten annual payments of \$4,625.89 each made during the years of 1902 to 1916 inclusive and also the amount of the accumulations at the time of the cancellation of bonds authorized under Bylaws 96, 109, 199, 202, and 261 with the additional interest earned on said payments and accumulations and the proportion of the discounts on bonds purchased with the funds in hand. The said ten annual payments and accumulations on cancelled bonds with the earnings therein up to the 1st November 1927 less a withdrawal of the sum of \$69,817.00 in 1924 leave a net amount of \$50,278.95. This amount as stated above is an accumulation of payments made to cover shortage which has been provided for in other ways and the accumulation of sums paid to the Sinking Fund Commission for bonds which have been cancelled. It is therefore, apparent that this amount is not required for the outstanding issues of the City's bonds and might be withdrawn and used for other purposes. The aforesaid statement has been audited by Macintosh, Cole and Robertson and I submit herewith their Report in connection with the same, the whole is respectfully submitted.

A. F. Bell, Secretary Treasurer.
