Mr. Anderson stated that his letter of date August 2nd. was intended as an appeal against the assessment and the Council agreed to deal with it as such.

107. **Mr. W. P. Downey**

was present and made a verbal appeal in connection with his property #515 Grosvenor Avenue.

Consideration of the foregoing appeals was deferred.

The Mayor expressed appreciation of the manner in which those in attendance had supported their appeals and stated that the members of the City Council keenly appreciate the special circumstances prevailing at the present time, with the resultant loss in revenue to the citizens, but that it would be impossible for the City to make drastic reductions in the valuation of properties as in order to carry on the work of the City, revenues must be secured by means of taxation and if values were reduced materially, the tax rate would have to be increased. He assured the appellants that each case would receive careful consideration and would be dealt with on its merits, and a decision arrived at as expeditiously as possible.

The Meeting thereupon adjourned until September the 12th at 8 p.m.

*Secretary Treasurer*

The Council thereupon adjourned to meet in Committee.

Your Committee recommends that Council authorize the purchase of a COLECTO GARBAGE TRUCK, from the DUKE EQUIPMENT COMPANY, at a cost of $3,595.00 to be charged to funds provided under authority of Bylaw #396.

Your Committee recommends that Council approve of subdivision of property of Mrs. Edith A. Hutcheson, Clarke Avenue, Cad. #316, subdivision C-1, as shown on plan of date 15th March 1934 prepared by Mr. M. D. Barclay Q.L.S. and submitted herewith.

On the motion of Alderman Dent Harrison seconded by Alderman Armand Chaput these recommendations were unanimously adopted.

Alderman J. Colin Kemp, Commissioner of Electric Light & Power Department submitted recommendation of the General Committee as follows;—

Your Committee recommends that Council authorize and confirm the acceptance of the tender of Messrs Bedard-Girard Limited as contained
in their letter of date February 2nd 1934 for changes and alterations to modernize the Switch-Board at the Electric Light and Power Plant at a cost of $8,187.37 and your Committee further recommends that this expenditure be charged to Depreciation Funds of the Electric Light and Power Department.

On the motion of Alderman J. Colin Kemp seconded by Alderman Geo. S. Currie this recommendation was unanimously adopted.

**SPECIAL ASSESSMENT ROLLS**

The Secretary Treasurer submitted the Special Assessment Rolls prepared in accordance with Resolution of Council of date 13th March 1934 and in connection therewith protests were submitted from Mr. K. B. Robertson #3290 Cedar Avenue to the effect that he has been charged on a frontage of 154 feet whereas the actual frontage of his property is 151 feet.

On the motion of Alderman Armand Chaput seconded by Alderman Dent Harrison it was unanimously resolved that the frontage assessment against Mr. Robertson's property be reduced to 151 feet, the difference of 3 feet to be taken care of by the City as a whole and assessed against the taxable land value.

Mr. J. B. Knox, protesting against the assessment owing to the fact that he is still paying for the previous paving of the street and objects to pay for the second paving also that he has been charged on a frontage of 126 feet whereas he believes the correct frontage should be 125 feet.

The Secretary Treasurer explained that according to the transfer of the property to Mr. Knox as received from the Registry Office the correct frontage is 126 feet and this is borne out by the plans in the City's possession which have been approved by the Court, the plans having been prepared by Mr. Rielle and Mr. McConnell.

Mr. W. I. Gear, protesting against assessment because he has already paid for the paving of the street and he considers the improvement is not for the benefit of the residents but for the City and those living outside the City of Westmount Limits.

Mr. James Wilson, #3252 Cedar Avenue, enclosing protest signed by proprietors whose properties front on Cedar Avenue.

In order to give those protesting an opportunity of appearing before the Council in support of their protests should they desire to do so, on the motion of Alderman Armand Chaput seconded by Alderman Geo. S. Currie it was unanimously resolved that the homologation of the Special Assessment Rolls be deferred until next meeting, Tuesday the 10th of April 1934 at 8 p.m.

The meeting thereupon adjourned until Tuesday evening April 10th at 8 o'clock.

CEDAR AVENUE ASSESSMENT

A number of proprietors assessed for a portion of the paving of Cedar Avenue in front of their properties waited on the Council in support of the Protest submitted at last meeting of the Council. Col. W. I. Gear read the Petition and stated the reasons for protesting as did Mrs. James Wilson; Dr. A. Lorne C. Gilday and Mrs. F. R. Graham, their contention being that the City as a whole should either bear the whole cost of the paving or that the proportion charged against the fronting proprietors should be reduced as in their opinion the improvement was not for the residents but for the City as a whole and for through traffic.

Attention was also called to the increased traffic which was a source of danger and depreciated the property for residential purposes. Alderman Geo. S. Currie submitted figures showing that approximately 60% of the cost of the paving was being borne by the City as a whole and 39 3/4% by the fronting proprietors and that the cost per lineal foot was less than a number of other streets recently paved throughout the City and which had been charged against the fronting proprietors.

Acting Mayor Dent Harrison called attention to the fact that the question of paving Cedar Avenue had received very careful consideration and that the fact of the City of Montreal paving the street up to the limits of Westmount had influenced the City in deciding to have the permanent paving put down on Cedar Avenue in order to facilitate traffic. He advised those present that their protests would receive the very careful consideration of the members of the Council.

The Council thereupon adjourned to meet in Committee.

On the motion of Alderman Armand Chaput seconded by Alderman C. B. Price this recommendation was unanimously adopted.

Letter of date August 14th 1934 was submitted from Messrs Weinfield and Rudenko on behalf of Mrs. Pauline Weinfield, owner of the property on the north east corner of Greene Avenue and St Catherine Street respectfully requesting that a permit be issued allowing Mrs. Weinfield to erect a Theatre on a part of her property.

In connection with the foregoing application there was also submitted a Petition of date September 14th 1934 from numerous citizens and property owners strongly protesting against the granting of the permit contending that Westmount being a strictly residential district of better class dwellings and homes a Moving Picture Theatre in their midst would certainly detract from the benefits derived by the peaceable homelike surroundings that exist at the present time.

There were also submitted letters from the following protesting the granting of the permit;-

Calvary Men's Own Brotherhood
Montreal & District Brotherhood Federation
Rev. Wm. Orr Mulligan- Melville Presbyterian Church
H. R. Swenerton, Sec. Dominion Douglas Church
Rev. J. Lavall Smith- Westmount Park Church
Rev. W. D. Reid- Stanley Presbyterian Church
There was also submitted a Petition signed by numerous proprietors in favor of the granting of the permit it being the opinion that the erection of a Theatre on the site would be to the advantage of the City of Westmount generally and to the neighborhood in particular.

It was reported that the application, the Petitions and letters had received very careful consideration, and in view of the strong opposition which had been filed to the granting of the permit the following recommendation was submitted by Alderman J. Colin Kemp:

Your Committee having considered the application of Messrs Weinfield & Rudenko on behalf of Mrs. Pauline Weinfield for a permit to erect a Moving Picture Theatre on St Catherine Street, north side, east of Greene Avenue, cannot recommend to Council the granting of such application.

On the motion of Alderman J. Colin Kemp seconded by Alderman Dent Harrison it was resolved that the foregoing recommendation be adopted.

Council thereupon adjourned until Tuesday, the 9th October 1934 at 8 o'clock.

Alderman J. Colin Kemp called attention to the exquisite show of Chrysanthemums at the City's Green Houses and extended a cordial invitation to the citizens to visit the Green Houses.

The Mayor in referring to the decision to maintain the tax rate of 13 mills stated that this rate had not been sufficient to provide the requirements for the current year owing particularly to the heavy drain upon the revenues for the maintenance of road-ways and sidewalks on account of the severity of last winter and for unemployment relief and that the deficit for the year had to be provided for from General Reserve, he further stated that the estimated budgetary requirements for the year 1935 indicated that the
anticipated revenues from a tax rate of 13 mills and other sources of income would be considerably short of the estimated expenditure if the efficiency of the City's services are to be maintained and the necessary provision made for the relief of unemployment and that after very careful consideration it had been decided to take care of the anticipated deficit for 1935 from any available reserve the City may have rather than by increasing the tax rate.

The Meeting thereupon adjourned to Tuesday evening the 13th November 1934 at 8 o'clock.

Mayor Jenkins, addressing the Council spoke of the pleasant associations with the members of the Council during the two years of office and gave a brief account of the City's Activities during that period, mentioning the completion of the Electric Lighting System and the agreement with the Montreal Light Heat & Power Cons., by which the City took over the complete distribution of Light and Power within the City's limits; the building of the new trunk sewer down Lansdowne Avenue and the Glen and on Western Avenue from Metcalfe Avenue to Lansdowne Avenue in order to connect with the new River St Pierre Sewer, for the construction of which the City of Westmount will soon have to pay to the City of Montreal a very substantial sum in accordance with the report of the Quebec Public Service Commission 15/2/29; the widening and paving of Cedar Avenue by skillful engineering in such a way that little or no encroachment was made on private property, and trees were protected, and the work carried out to the satisfaction of all concerned, except in the case of a number of proprietors who opposed the amount of the assessment against their properties, but who apparently were satisfied after having matters explained; increase of expenditures for unemployment relief for which no assistance has been received from Federal or Provincial Authorities; necessity for improved water supply and adequate fire protection on the upper level, this necessary improvement being delayed apparently owing to lack of funds by the City of Montreal;

Montreal Bill, applying for Charter Amendments to enable the City of Montreal to tax more heavily adjacent Municipalities and in connection with which the City of Westmount is taking steps to protect its interests, whilst sympathising with the City of Montreal over its financial difficulties, and being of the opinion that no Legislation unfair or unreasonable will be passed by the Provincial Authorities.

To the retiring Aldermen, Mr. Armand Chaput and Mr. Dent Harrison the Mayor expressed appreciation of the work accomplished by them during their eight years on the City Council, and of the co-operation and goodwill which had prevailed in the Council, and which would always be remembered with pleasure.

Alderman Armand Chaput and Alderman Dent Harrison replied and in saying goodbye thanked their confreres for the good things said of them and expressed the satisfaction they had experienced in serving the City to the best of their ability in the past eight years, retiring now, feeling that the City's affairs would be ably and efficiently conducted under the guidance of the New Council.

Mayor Jenkins then extended a cordial welcome to the two new Aldermen, Mr. Douglas Lorimer, and Mr. Boisdore Panet Raymond, both of whom replied expressing gratitude for the cordial welcome extended and stating they would endeavour to carry on the high standard of civic administration set by their predecessors in office.

Alderman J. Colin Kemp submitted motion as follows;-

The following Programme was submitted by the Mayor as a suggestion of what might possibly be arranged:

At the request of the Meeting the Chairman of the two Boards of School Commissioners agreed to arrange for the training of the children in the singing of such hymns or other musical numbers as might be arranged for.

In the event of the weather being unsuitable for an outdoor gathering it was suggested that arrangements might be made to go to Victoria Hall if there was sufficient room there to accommodate those who desired to attend or if that was not possible that arrangements might be made to have the gathering held in the Armoury.

Lieut. Col. C. V. Whitehead agreed that the Armoury could be used for the occasion.

The Mayor then called for suggestions to be made by anyone present as to what might be done to assist in securing a suitable and enthusiastic gathering.

That Boy Scouts and Girl Guides etc., be invited to attend in uniform, marching with the scholars from the Schools but organized separately in unit with the other students.

By the Grace of God, of Great Britain, Ireland, and of the British Dominions Beyond the Seas, King, Defender of the Faith, Emperor of India.

On the Day of His Funeral

Tuesday, January 28th, 1936

at The Armoury

4625 St. Catherine Street

3.00 p.m.
Order of Service

Conducted by:
Hon. Major Rev. Harold S. Laws, V.D.

Hymn:

NEARER, MY GOD, TO THEE.

1. Nearer, my God, to Thee,
   Nearer to Thee:
   E'en though it be a cross
   That raiseth me:
   Still all my song shall be,
   Nearer, my God, to Thee,
   Nearer to Thee.

2. Though like the wanderer,
   The sun gone down,
   Darkness be over me,
   My rest a stone;
   Yet in my dreams I'd be
   Nearer, my God, to Thee,
   Nearer to Thee.

3. There let the way appear
   Steps unto heaven;
   All that Thou sendest me
   In mercy given;
   Angels, to beckon me,
   Nearer, my God, to Thee,
   Nearer to Thee.

4. Then with my waking thoughts,
   Bright with Thy praise
   Out of my stony griefs
   Bethel I'll raise;
   So by my woes to be
   Nearer, my God, to Thee,
   Nearer to Thee.

5. Or if on joyful wing
   Cleaving the sky,
   Sun, moon, and stars forgot,
   Upwards I fly,
   Still all my song shall be
   Nearer, my God, to Thee,
   Nearer to Thee. Amen.

Sentences:

Thy Throne, O God, is forever and ever: the Sceptre of Thy Kingdom is a right Sceptre.—Ps. xlv., 6. Amen.

God will redeem my soul from the power of the grave: for He shall receive me.—Ps. xlv., 15. Amen.

Light is sown for the righteous: and gladness for the upright in heart.—Ps. xcvii., 11. Amen.

Mark the perfect man, and behold the upright: for the end of that man is peace.—Ps. xxxvii., 37. Amen.

God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow nor crying, neither shall there be any more pain; for the former things are passed away.—Rev. xxi., 4. Amen.

The kings of the earth shall praise Thee, O Lord, for they have heard the words of Thy mouth; Yea, they shall sing in the ways of the Lord: that great is the glory of the Lord. Amen.

I am the resurrection and the life, saith the Lord: He that believeth in Me though he were dead yet shall live, and he that liveth and believeth in Me shall never die.—St. John xi., 25-26. Amen.
Psalm 21:

The King shall rejoice in thy strength, O Lord: exceeding glad shall he be of thy salvation.

2. Thou hast given him his heart's desire: and hast not denied him the request of his lips.

3. For thou shalt prevent him with the blessings of goodness: and shalt set a crown of pure gold upon his head.

4. He asked life of thee, and thou gavest him a long life: even for ever and ever.

5. His honour is great in thy salvation: glory and great worship shalt thou lay upon him.

6. For thou shalt give him everlasting felicity: and make him glad with the joy of thy countenance.

7. And why? because the King putteth his trust in the Lord: and in the mercy of the most Highest he shall not miscarry.

I heard a voice from heaven, saying unto me: Write, From henceforth blessed are the dead which die in the Lord: even so saith the Spirit; for they rest from their labours.

Our Father Who art in heaven, Hallowed be Thy Name, Thy Kingdom come; Thy will be done, in earth as it is in Heaven. Give us this day our daily bread; And forgive us our trespasses, As we forgive them that trespass against us; And lead us not into temptation, But deliver us from evil. For Thine is the kingdom, the power and the glory, For ever and ever. Amen.

Let us Pray for Her Majesty the Queen Mother.

Regard, O Lord, with an eye of compassion, Thy Servant, our Queen, at this time, bereaved. Mercifully grant that, in the depth of her sorrows, the light of Thy Countenance may be her comfort, the gifts of Thy Grace and the promises of Thy blessed word her refuge and strength. So sanctify to her this Thy Fatherly chastisement, that her present loss may conduce to her eternal gain; and that meekly submitting to the wisdom of Thy dispensation, she may realize the fulness of Thy promise to be the Widow's God, now and forever, through Jesus Christ, Our Lord.—Amen.

Let us Pray for the Members of the Royal Family.

O merciful God, and Heavenly Father, who has taught us, in Thy Holy Word, that Thou dost not unwillingly afflict or grieve the children of men; look with pity, we beseech Thee, upon the sorrows of Thy servants, for whom our prayers are desired. Sanctify this sorrow to them, endue their souls with patience under this affliction, and with resignation to Thy blessed will; comfort them by Thy Grace; lift up Thy countenance upon them and give them peace, through Jesus Christ Our Lord.—Amen.
Let us give thanks for the work of the late King.

His Majesty George V.

O Lord our Heavenly Father, Almighty and Everlasting God, by Whom Kings reign and Princes decree justice: we remember before Thee our late Sovereign Lord, King George, in thankfulness for the blessings which Thou hast bestowed upon us through his reign; for the wisdom of his rule, and the faithfulness with which he served the people committed to his charge; for his continual effort to further and maintain peace among all Nations; and for his watchful care of the sick and of the poor. And we beseech Thee to give us grace that, having these Thy mercies in remembrance, we may with one heart and one mind set forward the welfare of this Land and Empire, and hasten the coming of Thy Kingdom of Peace and Goodwill among men; through Jesus Christ our Lord.—Amen.

Let us Pray for His Majesty King Edward VIII.

O God Who providest for Thy people by Thy power, and rulest over them in love; vouchsafe so to bless Thy Servant our King, that under him this Empire may be wisely governed, and Thy Church may serve Thee in all godly quietness; and grant that he being devoted to Thee with his whole heart, and persevering in good works unto the end, may by Thy guidance, come to Thine everlasting Kingdom; through Jesus Christ Thy Son our Lord, Who liveth and reigneth with Thee and the Holy Ghost, ever one God, world without end.—Amen.

O Lord, support us all the day long of this troublous life, until the shades lengthen, and the evening comes, and the busy world is hushed, the fever of life is over, and our work is done. Then, Lord, in Thy mercy, grant us safe lodging, a holy rest, and peace at the last; through Jesus Christ our Lord. Amen.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. Amen.

Hymn: ABIDE WITH ME.

1. Abide with me; fast falls the even-tide; The darkness deepens; Lord, with me abide; When other helpers fail, and comforts flee, Help of the helpless, O abide with me.

2. Swift to its close ebbs out life's little day; Earth's joyes grow dim, its glories pass away; Change and decay in all around I see; O Thou, Who changest not, abide with me.

3. I need Thy presence every passing hour; What but Thy grace can foil the tempter's power? Who like Thyself my guide and stay can be? Through cloud and sunshine, Lord, abide with me.

4. I fear no foe with Thee at hand to bless; Ills have no weight, and tears no bitterness; Where is death's sting? Where grave, thy victory? I triumph still, if Thou abide with me.

5. Hold Thou Thy Cross before my closing eyes; Shine through the gloom, and point me to the skies; Heaven's morning breaks, and earth's vain shadows flee; In life, in death, O Lord, abide with me. Amen.

The City of Montreal was represented by
Mr. Camille Tessier
Mr. A. Hulse, Chairman of the Board of Assessors.
Mr. F. W. Dakin, Assessor of the City of Montreal.
who stated that in their opinion the annual rental values had been reduced
in many cases without reasonable cause.
Mr. C. Tessier also called attention to the fact that under
Article 1 of the City of Montreal Bylaw 1335, passed in accordance with
Article 9 of Quebec Statutes 25-26, Geo: V, 1935, Chap. 112, an annual value
of 4% on the total assessed value of the property of Churches and Charitable
Institutions shall be the basis upon which the water tax of 7 1/2% will be
levied.
Mr. F. W. Dakin stated that the list of properties referred to
in the appeal had been taken at random and that Montreal's method of
arriving at an annual rental value was by taking a group of houses of similar
class in a neighbourhood and striking an average but that in some cases a
sliding scale was used varying from 4% to 7% of the total assessed value.
Mr. A. Hulse said that the total annual rental values for the
City of Westmount according to the new Valuation Roll showed a reduction of
approximately 15% on last year's figures, and took exception to the reduction
which he considered to be unwarranted under existing conditions.
He also stated that Mr. Tessier, Mr. Dakin and himself would
be pleased to meet the Board of Assessors of the City of Westmount to discuss
the question of assessed rental values.

91. J. J. Leach
