WELCOME MESSAGE

MESSAGE FROM THE DIRECTOR OF SPORTS AND RECREATION

As the seasons change, Westmount comes alive with opportunities to connect, stay active, and embrace community spirit. Whether you're a fan of winter's charm or eagerly awaiting the warmth of spring, there's no shortage of ways to make the most of your time in our vibrant city.

Mark your calendars: registration for spring activities opens on **February 11th**. You can register online or in person at the Sports and Recreation office in the Westmount Recreation Centre. Please note that online registration accounts expire annually on **December 31st**, so make sure to update your account in advance. Detailed information about registration can be found in this booklet.

If you don't see an activity you're interested in, we'd love to hear from you! Feel free to contact the Sports and Recreation department with your suggestions. Our team is always eager to introduce new programs based on community interest.

In addition to our activities, we invite you to join us for one of Westmount's special events, such as Family Day, Fête Nationale du Québec, or Canada Day. These events are wonderful opportunities to connect with family, friends, and neighbors while creating lasting memories.

Whether online or in person, we look forward to seeing you and hope you'll take part in everything Westmount has to offer.

Stay active and healthy!

David Lapointe

Director - Culture, Sports, Recreation and Social Development

The City of Westmount recognizes that persons with a disability have the same rights and needs as their fellow citizens, including the right to participate in community recreational activities.

The City endeavors to ensure that there is no discrimination against any citizen and that facilities are accessible to all.

It is the policy of the Westmount Sports and Recreation Department to integrate, where possible, persons with a disability into their regular programming. Persons with disabilities that register for an activity in Westmount may have a companion attend with them at no cost.

Interested parties are invited to contact the Director of Sports and Recreation for information about potential participation and/or with ideas on inclusivity.

VOLUNTEERING IN WESTMOUNT

Over the years, the key to the success of Westmount's sports and recreation programmes has been the involvement of keen volunteers from the community. Westmount is indeed fortunate to have residents who willingly give their time and expertise to help provide quality programmes and services, but there is never a shortage of tasks for new volunteers. For example, we are always looking for:

- · coaches for various sports teams;
- volunteers to help at various community events such as Winter Carnival and Family Day.

These are but two of a wide range of activities where volunteers are essential. If the notion of getting involved in these or other programmes is of interest to you, we invite you to call the Sports and Recreation office at 514 989-5353 for additional information.

PART-TIME EMPLOYMENT

The Westmount Sports and Recreation Department is always in need of students to fill the following part-time positions:

- referees and timekeepers
- · umpires and scorekeepers
- pass attendants and rink monitors

If you are interested, please call the office at 514 989-5353 or send an email to recreation@westmount.org.
