PARKING PERMITS

Westmount residents who do not have sufficient parking space on their property, including anyone living in an apartment, condo or similar dwelling, may apply for permission to park on the street.

Red "G" permit allows the car owner to park on the street for a maximum of 24 hours at the same location. "G" permit holders may not park in the orange "C" or blue "A" permit zones denoted below.

Orange "C" permits are issued to car owners who reside on Mt. Stephen, Springfield and Metcalfe (north of Sherbrooke).

Blue "A" permits are issued to car owners who reside on Abbott, Irvine, Lewis, Blenheim, Park Place, Academy and sections of St Catherine.

Permit holders cannot park illegally and must pay any parking fees. A refund is available under certain circumstances. However, before a refund is given, the permit holder must remove and return the permit.

PERMIT FEES

\$200 annually for the 1st car

\$400 annually for the 2nd car

\$600 annually for the 3rd car

Green 4-hour "W" permits are issued to homeowners upon request (renewable every 2 years), and tenants (renewable every 1 year) with a limit of one per household. These permits are valid for a maximum of 4 hours in 1- or 2-hour zones and reserve zones (except in the "C" and "A" reserve zones where they are prohibited). These permits do not allow the holder to park overnight. There is no refund available with this permit.

Cost: \$30. Please note that only one "W" permit is issued per household.

Please note that these permits DO NOT supersede other parking restrictions, including paid parking, no-parking zones, fire hydrants or temporary signage. **ALWAYS CHECK BEFORE PARKING.**

RENEWAL OF PARKING PERMITS

Renewals can be made within 30 days following the expiration date without being considered a new applicant. Please note, however, that the applicant remains responsible for all parking infractions received during this period.

Avoid infractions by renewing your permit before it expires.

TEMPORARY PARKING

Special permission is required for exceptional parking on Westmount streets, including temporary permits when a driveway or garage is inaccessible.

AVOID A PARKING TICKET

Contact Public Security first by phoning **514 989-5225**.
Monday through Friday from 8:30 a.m. to 4:30 p.m.

OVERNIGHT PARKING

To register for OVERNIGHT PARKING for visitors, please fill in the online application at **westmount.org** or contact the Public Safety Department by phoning 514 989-5222:

- 8:30 a.m. to 11 p.m.
- 7 days a week

Be prepared to provide your vehicle's license plate number. The overnight parking permission (11 p.m. to 8 a.m.) should be recorded by Public Security before 11 p.m.

Please note that for temporary overnight parking, the total number of these special permissions must not exceed 30 nights per vehicle per calendar year.

PAY-BY-PLATE PARKING

The parking pay stations feature a Pay-by-plate technology allowing customers to pay for on-street parking based on the licence plate number rather than on the parking spot. Users can move their cars without having to pay each location. **Purchased parking minutes that have not been used cannot be credited or deferred to another time.**

Drivers will be able to purchase parking minutes by coin, by credit card or by mobile device. Download the Passport Canada mobile app through Google play for Android and the App Store for iPhone. Using the Passport Canada mobile app, drivers will be able to purchase extra parking minutes at any time and from anywhere, without having to return to the pay station.

Drivers are advised to pay attention to signage on each street, which indicates the schedule for the metered parking hours as well as the maximum number of hours permitted.

OUTDOOR PARKING LOTS

Westmount operates outdoor parking lots at the following locations:

- Greene Avenue between Sherbrooke Street and De Maisonneuve Boulevard;
- Prince Albert Avenue near St. Catherine Street;
- Tupper Street near Gladstone Avenue;
- Victoria Avenue north of Sherbrooke Street;
- Westmount Recreation Centre (WRC);
- Westmount Public Library.

While some lots have pay stations, special permits are required for the Prince Albert and Tupper lots and fees for these permits vary. Contact the Parking Permits Office or check our Web site for up-to-date information. In addition, there are significant waiting lists for parking lot permits. To submit your name, please contact the Parking Permits Office at 514 989-5225. **Take note that there is a 4-hour limit for all permit holders parked in the WRC and Westmount Public Library parking lots.**

SPECIAL SITUATIONS

PARKING DURING SNOW REMOVAL

Advance warning of snow removal and the period during which it will be taking place are indicated by flashing or fixed lights on major thoroughfares and by special notices placed on side streets. Please check your street daily following any heavy snowfall, as vehicles blocking snow removal operations will be towed.

STREET CLEANING

Street cleaning occurs on a fixed schedule and parking is not permitted during the designated periods, which are clearly posted. Check parking signs carefully, as these restrictions are strictly enforced.

PARKING FOR MOVING VANS

Residents moving in or out of Westmount can reserve parking spaces for moving trucks by calling the Public Works Department the day before the move. Businesses may also reserve parking spaces temporarily by obtaining a permit from Public Works. For more details, please dial 514 989-5311.

IDLING ENGINES

Leaving a vehicle engine idling is costly to the environment and to you. It pollutes the air you breathe and wastes your money. It's also illegal.

In Westmount, idling your vehicle for more than 3 minutes within a 1-hour period is banned. Violators could face a minimum fine of \$57 for each offence.

For more information on the City's environment programmes and regulations, please consult our Web site at **westmount.org/parking**.
