2017-01700	65 AVE	FORDEN		<p>Category: I</p> <p>Description of Project: To do landscaping and build a new terrace.</p> <p>Planning Advisory Committee Recommendation: At its meeting of August 21st, 2018, the Planning Advisory Committee recommended the proposal to Council for unfavourable consideration.</p> <p>The Committee notes that the proposal has been reviewed for the 6th time without addressing the Committee's concerns. The proposed design of the landscaping and the terrace is not compatible with the architecture of the house, which is a category I and designed by Robert Findlay, architect. Furthermore, the design proposal is not adapted to the particular context and its visibility from Westmount Avenue.</p>
